**InSpire** is offered in more colour choices

than any other supplier in the Industry -

Five Standard, Thirteen Premium and Seven Blends.

Custom Colours are available, subject to special enquiry.

This may be to match existing roof tiles or to

create a unique colour.

InSpire's colours remain consistent from one order to

the next. With no blending on the job site and no lot

numbers to worry about, it's designed to deliver an

experience that is truly inspired.
